

	Kansas
State Plan	Although the state has not yet created a plan for K-12 computer science, the State Board of Education adopted five policy recommendations from the Department of Education's Computer Science Education Task Force in 2020. The five recommendations include encouraging all schools to offer computer science, allowing computer science to satisfy a core graduation requirement, create a licensure endorsement, and arrange funding to carry out these goals.
No	
Standards	The state adopted preK-12 computer science standards in 2019. A primary goal of the standards is to increase the availability of rigorous computer science for all students, especially those who are members of underrepresented groups.
Yes	
Funding	The state does not yet provide dedicated state funding for rigorous computer science professional development and course support.
No	
Certification	The state does not yet have a computer science teacher certification.
No	
Preservice	The state has not yet established guidelines or approved programs at institutions of higher education to offer computer science to preservice teachers.
No	
CS Supervisor	The Department of Education has a Computer Science Education Program Consultant.
Yes	
All HS Offer	The state does not yet require that all secondary schools offer computer science.
No	
Grad Credit	The state does not yet allow computer science to count for a core graduation requirement.
No	
IHE Admission	The state does not yet allow computer science to count as a core admission requirement at institutions of higher education.
No	
Kansas has a CSTA chapter.	

High Schools Teaching CS

*Data was not collected for the 2018-2019 school year

High Schools Teaching CS by School Type

AP CS Student Participation

Access and Participation by Race/Ethnicity

Overall Student Demographics

Demographics in Schools Teaching AP CS

Demographics of Students Taking AP CS Exams

AP CS Participation by Race/Ethnicity and Gender

Female Students

Male Students

Although Hispanic/Latinx students make up 20% of the overall student population, only 4 Hispanic/Latinx students took an AP CS exam. Black students make up 7% of the overall student population, but only 1 Black student took an AP CS exam.
