 <h1>Michigan</h1>	
<b>State Plan</b>	The state has not yet created a plan for K-12 computer science that includes goals, strategies, and timelines. However, as a prelude to a state plan, the Department of Education is collaborating with Michigan State University to create a landscape report.
No	
<b>Standards</b>	The state adopted the CSTA K-12 Computer Science Standards in 2019. Standards within each grade band address concepts of equity, such as bias, accessible technology, and inclusivity.
Yes	
<b>Funding</b>	The state does not yet provide dedicated state funding for rigorous computer science professional development and course support.
No	
<b>Certification</b>	The state phased out the computer science endorsement in 2017 so that any licensed teacher is eligible to teach computer science.
No	
<b>Preservice</b>	After the state phased out the computer science certification, teacher preparation programs in Michigan also phased out preservice programs in computer science education.
No	
<b>CS Supervisor</b>	The Department of Education has a Computer Science Consultant.
Yes	
<b>All HS Offer</b>	The state does not yet require that all secondary schools offer computer science.
No	
<b>Grad Credit</b>	Any department-approved computer science course can count as the fourth mathematics credit for graduation or replace the Algebra II requirement.
Yes	
<b>IHE Admission</b>	The state does not yet allow computer science to count as a core admission requirement at institutions of higher education.
No	
Michigan has a CSTA chapter.	

## High Schools Teaching CS

## High Schools Teaching CS by School Type

## AP CS Student Participation

## Access and Participation by Race/Ethnicity

### Overall Student Demographics

### Demographics in Schools Teaching AP CS

### Demographics of Students Taking AP CS Exams

## AP CS Participation by Race/Ethnicity and Gender

### Female Students

### Male Students

Hispanic/Latinx students and Black students are each 2 times less likely than their white and Asian peers to attend a school that offers AP CS. Black students and Native American students are 3.5 times less likely to take an AP CS exam when they attend a school that offers it.
