

Wyoming

State Plan	The Wyoming Department of Education created a task force in 2017 to develop and implement a long-term plan for expanding computer science.
Yes	
Standards	The state adopted K-12 computer science standards in February 2020. Standards within each grade band address concepts of equity, such as bias, accessible technology, and inclusivity.
Yes	
Funding	Although the state does not yet provide dedicated state funding, the Wyoming Trust Fund for Innovative Education prioritized computer science applications in 2018-2020.
Other	
Certification	Teachers with existing licensure can obtain a 6-12 endorsement by completing a program that leads to licensure or a combination of coursework and passing the Praxis CS exam. Another pathway requires coursework and work experience. Teachers can receive authorization to teach some computer science courses through a state and district-approved professional development plan.
Yes	
Preservice	The state has not yet established guidelines or approved programs at institutions of higher education to offer computer science to preservice teachers.
No	
CS Supervisor	The Department of Education has a Math and Computer Science Consultant.
Yes	
All HS Offer	SF 29 (2018) required all schools to include computer science and computational thinking by the 2022-2023 school year.
Yes	
Grad Credit	Computer science can count as one year of science, fourth year mathematics, or career credits required for admission at institutions of higher education, which aligns with the high school graduation policy.
Yes	
IHE Admission	Computer science can count as one year of science, mathematics, or career credits required for admission at institutions of higher education, which aligns with the high school graduation policy.
Yes	
Wyoming has a CSTA chapter.	

High Schools Teaching CS

*Reflects a correction of last year's published number

High Schools Teaching CS by School Type

AP CS Student Participation

Access and Participation by Race/Ethnicity

Overall Student Demographics

Demographics in Schools Teaching AP CS

Demographics of Students Taking AP CS Exams

AP CS Participation by Race/Ethnicity and Gender

Female Students

Male Students

Total Number of CS Exams Taken

Native American students make up 4% of the overall student population, but no Native American students took an AP CS exam. Hispanic/Latinx students make up 14% of the overall student population, but only 2 Hispanic/Latinx students took an AP CS exam.
