Dear Code.org:

We are pleased to make a \$85 donation on behalf of one or more of the teams playing in our 2018 ZogSports leagues in Atlanta.

Robert Herzog founded ZogSports after his close call on 9/11 with the belief that life is better with real personal connections, caring communities and a sense of play. Every year, over 100,000 young professionals play co-ed sports on behalf of charities such as yours. To date, we've donated over \$3,000,000 to charities chosen by winning teams.

Want more young professionals playing on behalf of Code.org?

- 1) Post on Facebook or Tweet @ZogSports to thank the teams and/or invite future teams to choose Code.org as their team's charity.
- 2) Recruit your employees, young leaders, and/or volunteers and play in a league on behalf of Code.org. This is a great way to build community and create personal connections within your organization.
- 3) For organizations with over 1,000 members in their young professional network, contact us about becoming a **Seasonal Charity Partner**. Through this partnership, your organization would be promoted to the ZogSports network and become the default charity for any teams who do not designate a team charity.

Thanks for the important work you do,

ZogSports ATL

Dear Ms. Page:

Enclosed is a contribution from the Winokur Family Foundation in the amount of \$500.00 on behalf of Annick Winokur and Peter Gilbert for the fiscal year July 2018 - June 2019.

We normally respond to gift requests twice each year during the months of January and June. It is most helpful to us if requests for funds reach us well before those dates. Additionally, we prefer to be solicited only once each year.

We do like to receive annual reports and other news of the organization's activities so that we can continue to be well-informed advocates on your behalf. Keep up the good work you are doing.

Regards,

**THE CONDUENT FOUNDATION  
GRANT TERMS AND CONDITIONS**

**Grant Amount:** \$4,000.00

**Grant Recipient:** Code.org (the "Grantee")

- a. **Tax-Exempt Status of the Grantee:** The Grantee is exempt under Internal Revenue Code Section 501(c)(3) and currently is classified as a public charity pursuant to Internal Revenue Code Section 509(a)(1), (2) or (3).
- b. **Grant Purpose and Expenditure of Funds:** This is an unrestricted grant to the Grantee. The Grantee will utilize the grant funds only for educational, scientific, literary, religious or other charitable purposes. This grant is not earmarked to support or carry on any voter registration drive, or to influence legislation or the outcome of any election. Thus, any use of grant funds by the Grantee for such activities constitutes a decision of the Grantee that is wholly independent of the Foundation. The rules governing private foundations require that the Grantee not use any of the grant funds to satisfy a charitable pledge or obligation of any person or organization other than the Foundation, or to provide any tangible economic benefit to any Foundation manager or substantial contributor or their respective family members. The terms of this grant require that the Grantee not use any of the grant funds to provide any tangible economic benefit to any employee of Conduent, Inc.
- c. **Return of Grant Funds:** The Grantee agrees to return any grant funds not expended for the purposes described above to the Foundation, c/o Foundation Source at 55 Walls Drive, Suite 302, Fairfield, CT 06824-5163. The rules governing private foundations also require the Grantee to return the enclosed grant if the Grantee is no longer recognized by the Internal Revenue Service as having the above described tax-exempt status.
- d. **Foundation Connection:** If the Foundation, its officers, directors, trustees, substantial contributors, and the family members of the foregoing individuals, acting separately or together, "controls" the Grantee, additional terms may apply. Here, the term "control" means the ability to require the Grantee to make or refrain from making an expenditure, or to perform (or prevent it from performing) any act which significantly affects its operations. While it is our understanding that the Grantee is not so controlled, if the Grantee believes otherwise, the Grantee agrees to notify the Foundation immediately and refrain from expending the grant funds until mutually agreed upon terms are reached. Any notification required under this paragraph shall be sent to the Foundation c/o Foundation Source at the above address.
- e. **Other Terms:** These Grant Terms and Conditions encompass the entire agreement between the Foundation and the Grantee, and supersede all previous understandings and agreements between the Foundation and the Grantee, whether oral or written. This grant is subject to these Grant Terms and Conditions; by cashing the grant check the Grantee indicates its agreement to these terms. The term "Foundation" means the foundation making this grant.
