# Mad Glibs

## Abstraction Worksheet

C	O
D	E

Write a story using the Mad Glibs template below. Fill in the blanks with words to create something fun to share. Then, create a second story by writing another version on the lines at the bottom of the page.

### Story 1

First you take your \_\_\_\_\_ then add a layer of \_\_\_\_\_  
before you pour on a hearty dose of \_\_\_\_\_.  
Next, press some \_\_\_\_\_ down into the \_\_\_\_\_ before  
covering with a sprinkle of \_\_\_\_\_.  
That's how we make a \_\_\_\_\_!
